Practical Implementation of Learning

We at EKLAVYA GLOBAL SCHOOL believe that practical application of attained knowledge is far important than only getting it on papers.

For giving the practical exposure to the students and inculcate scientific temper among them, we have designed an incredible **DESIGN & TECHNOLOGY LAB** besides science labs.

For Nurturing proficiency in Speaking, Reading, Listening and Writing in English, we have developed **WORDS WORTH** Digital language lab.

For Diagnostic and curative approach for math, we have a unique software **MATH-A-MAGIC**, a computer aided program, which identifies the core problem area of the students. Further to solve these problems we have a unique Mathlab.

Beyond Curriculum

Eklavya Global School offers a wide range of programs of extra-curricular activities including arts and sports for a child to participate in the school. Empowering the generation next for their 360° development, the entire school is divided into 4 houses to promote leadership qualities, healthy competition, values like caring & sharing, positive attitude towards success and failures, cooperation with peers, respecting others' decision and sportsmanship among the students.

DARING

The particular characteristics of student sorted into this house are Courage, Chivalry and determination. The emblematic animal is a lion and its colors are red and gold.

Indian Traditional Games

Indian Traditional Games were not just games; they were designed in such a way that one can develop lot of skills like logical thinking, building strategy, concentration, basic mathematics, aiming, and lots more. Traditional Games act as learning aids. They teach us many things while playing like to learn, to win and lose, develop sensory skills, count, add, improve motor skills, identify color, improve hand-eye co-ordination and finally to have fun.

Art Encyclopaedia

school is so much more than reading..writing and arithmetic

The arts provide a way for children to discover they can make a contribution; it empowers them and raises their self-esteem. The arts let children put their own individual stamp on what they are good at.
