## 1. NECESSITY OF ONLINE CLASSES

The purpose the online classes:

- ❖ Learning of our children should not be hampered at any cost, at any situation
- ❖ Online classes will make sure that students are in touch with their teachers.
- ❖ This will ensure that their minds are not diverted and they are tuned to learning mode.
- ❖ This will help students to focus on themselves rather than focusing on outside world and the problems.
- ❖ It is also platform for the students to meet their classmates virtually and it will be good for their psychological health.
- ❖ Online classes fill the gap between and students and the school as they are not able to come to school.

## 2. PLANNING AND EXECUTION OF ONLINE CLASSES

Online classes is not an easy task. It involves lot of hard work. We have five fold procedure for the online classes.

**i) Planning:** Principal with the help of vice-Principal and coordinators planned whole procedure to conduct the online classes. We decide the subject wise learning outcomes and modes of teaching. We also plan the training needed to be given the teacher. We make techno-ready before they step into virtual classes.

**ii) Training (mentoring):** We train the teacher to conduct online session – how to use Google platform – training in technology. We make our own online materials so that students can easily associate with the teacher and the school. We train to record the screen and usage of various other software. We also train them to make videos, PPTs, PDFs

**iii) Preparation:** Lesson plans are took a major change. Making of lesson plans for better planning is mandatory in Global. We come to know what the things are shared by the teachers to students, class work, home work, material. Our teachers spend lot of time for the preparations of online materials. We prepare our own digital content so that there will be better association with students. Teachers use various office tools, DTP software to prepare online materials.

**iv) Execution:** Our teachers send materials like Videos, PPTs to students before we start live classes. Each live session is attended by two more teachers to maintain attendance, discipline and report to Principal. There will be some technical issues regarding online sessions and those are immediately resolved by our technical team. These classes continuously monitored by Principal sir and me.

**v) Evaluation and Feed back:** After the live session we take feedback from students, parents and teachers. As per the feedback we change our strategies.

### 3. ONLINE CLASS TIMETABLES

We are following PRAGYATA Guidelines given by MHRD. We prepare the timetables weekly and send to the parents. If there are any minor changes and difficulties, then we take feedback from the entire stakeholders and implement the needed changes.

### 4. ONLINE CLASS LESSON PLANS

We have a set of formats of LESSON PLANS for our online classes and our teacher diligently prepare and implement the after the prior checking.

### 5. SYLLABUS COMPLETION STATUS

Syllabus Completion status till 1st July 2020 was sent to the parents as Pattern and Portion (for online assessment). This kind of update we do regularly to make things easy for the parents.

PORTION AND PATTERN FOR FIRST ONLINE ASSESSMENT			
GRADE II

## **7. ONLINE ASSESMENT QUESTION PAPERS**

We have created **Google Forms** for the Online assessment that included more number of Multiple choice questions till Grade 7 and different types of questions for Grades 8 to 10.

## **8. CIRCULARS**

### **Zoom meeting link for class (30/3/2020)**

Dear Parents Hope you all are ready with the Zoom app ( in mobile or pc or laptop ). Live video lesson for our students of Grade 10 will start at 11:00 am Tomorrow. You just need to click on the link(given here) to join the session. Kindly note that u need a notebook,pen, pencil, compass-box and earphone before the session starts. Link is Avick Saha is inviting you to a scheduled Zoom meeting. Topic: Avick Saha\_X\_ Zoom\_Meeting Time: Mar 31, 2020 11:00 AM Mumbai, Kolkata, New Delhi Join Zoom Meeting

<https://us04web.zoom.us/j/970550349?pwd=N0FXUU9mdVZGMjFUUjJjJcW9aaG1Qdz09>  
Meeting ID: 970 550 349 Thanks and Regards Eklavya Global Team

### **Tele Education (1/4/2020)**

Dear Parents, As promised here we go with some more creativity for students of Pre Primary and Grades 1 and 2. Our teachers will be training them for different things through videos. Videos will be uploaded on the you tube channel of EKLAVYA GLOBAL SCHOOL. Here is the link of the first video for our kids to let them be healthy while staying at home. Kindly visit the following link <https://youtu.be/VGh3hWtx5PY> Thanks and Regards Eklavya Global Team

### **Circular Regarding Online classes (5/4/2020)**

Dear Parents, Kindly keep checking the school mobile app on regular basis to get the details about the video lessons of grades 3 to 10.. Video lessons will be done on alternate days so before and after lesson you need to check school mobile app for worksheets/HW/Notes etc. Thanks and Regards Eklavya Global Team

### **Joining Google classroom (24/4/2020)**

Video was sent to parents - <https://www.youtube.com/watch?v=dxJ96eCjU58>

### **New Login for Google Classroom(8/6/2020)**

Dear Student Greetings! We are going to provide the new email id and password under the domain used by the school. Kindly follow the steps given below: For Android Device 1) Uninstall Google Classroom and Google Meet from your device 2) Install both the application again and enter specified Email ID and Password 3) After that click on + button and join the class with specified Class code. For PC/Laptop 1) Open Google Classroom and click on "Use Another account" 2) Login using the specified Email id and password 3) After that click on + button and Join the class using specified Class code. Email Id - HEER.TRIVEDI@ngivbt.edu.in Password – ngivbt@123 Class Code – g3se5h2 Thanks & Regards Eklavya Global Team

### **Mock Test ( Before first Online assessment) (28/7/2020)**

Dear Parents, Kindly note that school has organized a MOCK TEST (ONLINE) for our students on Friday to make them aware about the Online Assessment. Teachers will give entire Idea about attempting the online assessment while the first online class on Friday. So MOCK TEST will be taken during the first period of online class itself by the teacher. NOTE: Try to attempt the MOCK TEST from CELL PHONE (Advisable) All steps are taken to help parents and students so kindly co-operate for the same. Thanks and Regards Eklavya Global Team

### **Augmented Reality – A pioneering by Eklavya Global School (8/8/2020)**

Dear parents, Greetings... Eklavya Global Team always one step ahead in using Technology. We are introducing new technology...Augmented reality... for better teaching and for better grasping. We are the first School to incorporate such advanced technology... Kindly click on the Link given below: <https://youtu.be/zh2uo0RIGyM> Thanks & Regards Eklavya Global Team

## **9. ONLINE RESOURCES SHARED WITH STUDENTS**

<https://www.youtube.com/watch?v=ox88Jnonsxg> – A session on Digestive Ssystem(Augmented Reality)

and many more.....

We have started giving #KEEPITUPCHALLENGE sequence to students on one of our Facebook page “EKLAVYA GLOBAL STUDENTS”

## **10. CONCLUSION**

Technology has become ubiquitous these days. We see it everywhere. Education needs to be complemented with the new trends in technology. Students of today are more techno savvy than older times. Learning online is effortless and fun for them. Online learning will put our children on learning mode. It saves them from various diversions and distractions. We have received numerous compliments from parents, commending the efforts of Eklavya Global Team in conducting the online classes in a efficacious manner. Online education is only solution to cope up with the current pandemic scenario. It needs to be endorsed and incorporated into our education system in full-fledged manner.
